OUTDOOR  LIVING

Features & Benefits

Warranty	3 Year Manufacturer Warranty
Stylish Drop-In Design	A modern, classy finish where the side burner drops down into the benchtop next to your BBQ into your cabinetry. The slimline design helps to give a more low-profile look.
High Quality Cast Iron Tube Burner	Durable and high powered gas cooktop which is capable of reaching high cooking temperatures.
304 Grade Stainless Steel	High grade stainless steel which is resistant to heat and salt, helping to avoid corrosion and decay in the harsh Australian climate.
Comfort Electronic Ignition System	Safe and easy allowing you to light without the use of flammable and explosive matches and lighters.
Ergonomic Controls	Conveniently located to the front of the side burner helping maximise the cooking surface with power level indicators.
Conversion To Natural Gas	Equipped for LPG out of the box and can be converted for usage with Natural Gas by an authorised professional. (Conversion kit needs to be purchased separately)
Indoor/Outdoor Installation	Certified for installation in enclosed alfresco areas; this is where your area is enclosed by a roof and 3 walls, and the area has 25% natural air ventilation.
